** Semester cost includes testing fees as determined for 2023-2025 Year. The Nursing fees are for online tools that the Nursing Department secures for students while in the Nursing program. These fees are paid to our vendor.

*** Some textbooks can be rented for as little as \$15-\$30 per semester. They would need to be re-rented in the final semester when reviewing for the NCLEX examination.

**** Laptop Computer – varies by personal choice, but the school of nursing recommends you DO NOT have/use a Chromebook. We recommend your laptop have been purchased within 2-3 years. MAC/Windows/iPads are allowed as long as the system requirements are met. A separate document will explain the system requirements. These requirements are necessary for the exam software used during the program.
